

Publications

As a think–tank, the FRFG makes a wide range of documents available to the public.

Speeches and Presentations

Here you will find a list of some of the speeches and presentations we have made on various different occasions.

Articles

The FRFG has published articles in both newspapers and journals, demonstrating that the problems it deals with are both relevant and important.

Books

The FRFG has published a number of books and articles in cooperation with different publishers.

Position Papers

Position papers formulated by study groups.
